COMPANY PROFILE

O&G Industries Masonry Division is one of the largest suppliers of masonry products, services, and solutions on the East coast in the USA. Nationally known the Division concentrates on being a full-service distributor and fabricator within the masonry and concrete industries. With a professionally trained sales team that services the AIA, ASLA, ASID, as well as contractors and homeowners to create an environment of cooperation between the design professionals, contractors, and owners.

DIVISIONAL MISSION

O&G’s mission is to deliver superior quality products and services in aggressive lead times for the fairest value to its clients. O&G’s knowledgeable staff strives to accomplish this objective and build upon relationships as a trusted industry supplier so that we earn your trust and become a preferred vendor. Members of the O&G team are always striving and implementing methods to make it easier to do business with O&G in conjunction with searching for new and innovative products to bring to market.
