Antiques

Experience the rich texture of handmades with the popular machine-moulded Cushwa Antique collection. Available in a wide-range of colors and shades, and less expensive than our genuine handmades, the superior, aesthetically-pleasing Cushwa Antique adds a soft texture, warmth, and prominence to both contemporary and traditional designs.

Handmades

Individually hand-pressed in sand-coated wooden moulds, Cushwa genuine handmade brick is clearly unequaled in the market for its distinguished, classic appearance. Cushwa has faithfully continued this time-tested and proven process since 1872. When you choose genuine handmades from Cushwa, you select the best exterior for your home, one with enduring authenticity, added value and prestige.

Machine Moulded

The rich texture, color and appeal of Cushwa machine moulded brick enhances the appearance of any building, and creates a classic look that will stand the test of time. Moulded bricks have characteristics that give both residential and commercial exteriors a unique warmth and depth. Cushwa's modern manufacturing processes make machine moulded brick a lasting value for any project.
